CAN YOU PLAY THE SPOONS?

(Continued from front cover)

Gordon Deppe: "They really helped us out. So when these guys (Pirate Radio) asked me if I wanted to do some Police songs, I said sure, I can relate to it."

Are you working on anything new with the Spoons?

Gordon Deppe: "Right now we are celebrating each album as they reach their 30th anniversary. This year it's the 30th anniversary of our Talk Back album. So in between the anniversary albums we'll put out some new stuff. We're already working on a new recording. The Spoons put a brand new album out 2 years ago and we're ready for a new one."

When do you think you will be coming back to play in Bolton?

Gordon Deppe: "I'll be back here (Toby Jug) with my own band The Lost Boys on March 29th, we play the same kind of 80's tunes; and with these guys again (Pirate Radio) sometime. Perhaps if they want us (Spoons) to play at the music festival in the summer, we'll see."
