OPEN MIC CLASSICAL GUITAR

An open mic classical guitar evening, a fresh and compelling new concept originated by Heather Mirand Clark a classical guitar teacher. It was held at the Archtop Cafe in Bolton on Friday January 24th. The event was enjoyed and received great feedback from many of the musicians and regular customers who enjoy free live music at the Archtop Cafe on Friday evenings.

The 5 performers were Mila Fokas, Heather Morand Clark, Steve Shorter, Carson Allard and Carlos Sanchez. They played demanding solos and duets from the the classical and spanish classical repertoire. Heather, who performed beautifully herself is the VP of the Guitar Society of Toronto and one of the Directors of the Caledon Concert Band.

Free live entertainment and music Friday at the Archtop Cafe include the likes of seasoned professionals like David Henman, John Pelosi and young performers making their debut performances.
